

FRATERNAL ORDER OF EAGLES

WISCONSIN STATE AERIE SCHOLARSHIPS

GENERAL INFORMATION

There will be two scholarship awards given to a son or daughter of Eagle members who are entering an accredited College, University or other accredited school for the first year starting in September 2022. Each qualified applicant will be asked, at a later date, to complete an information sheet; to submit a transcript of high school records; and if possible, two letters of recommendation for the panel of judges. Judges will select one winning applicant and one runner-up in each zone for which applications have been submitted. There will be only one winner from each zone. The panel of judges will be experienced and qualified educators who are not affiliated with the Fraternal Order of Eagles. The actual money will be presented to the award winners at the local aerie of the father after the state convention in June, and after they have notified us by mail of their actual matriculation into the accredited school of their choice. Need, academics and leadership are essential considerations but are not necessarily listed in order of their importance.

This application MUST be mailed NOT LATER THAN March 1
